## A daughter's message...

This letter was found 7 years after her death.

Well daddy, I'll tell you  
Life for me is not perfect  
Not all bad  
And certainly not all good  
But my life is not perfect

But everyday I think of you  
And care for you  
And sometimes even talk to you

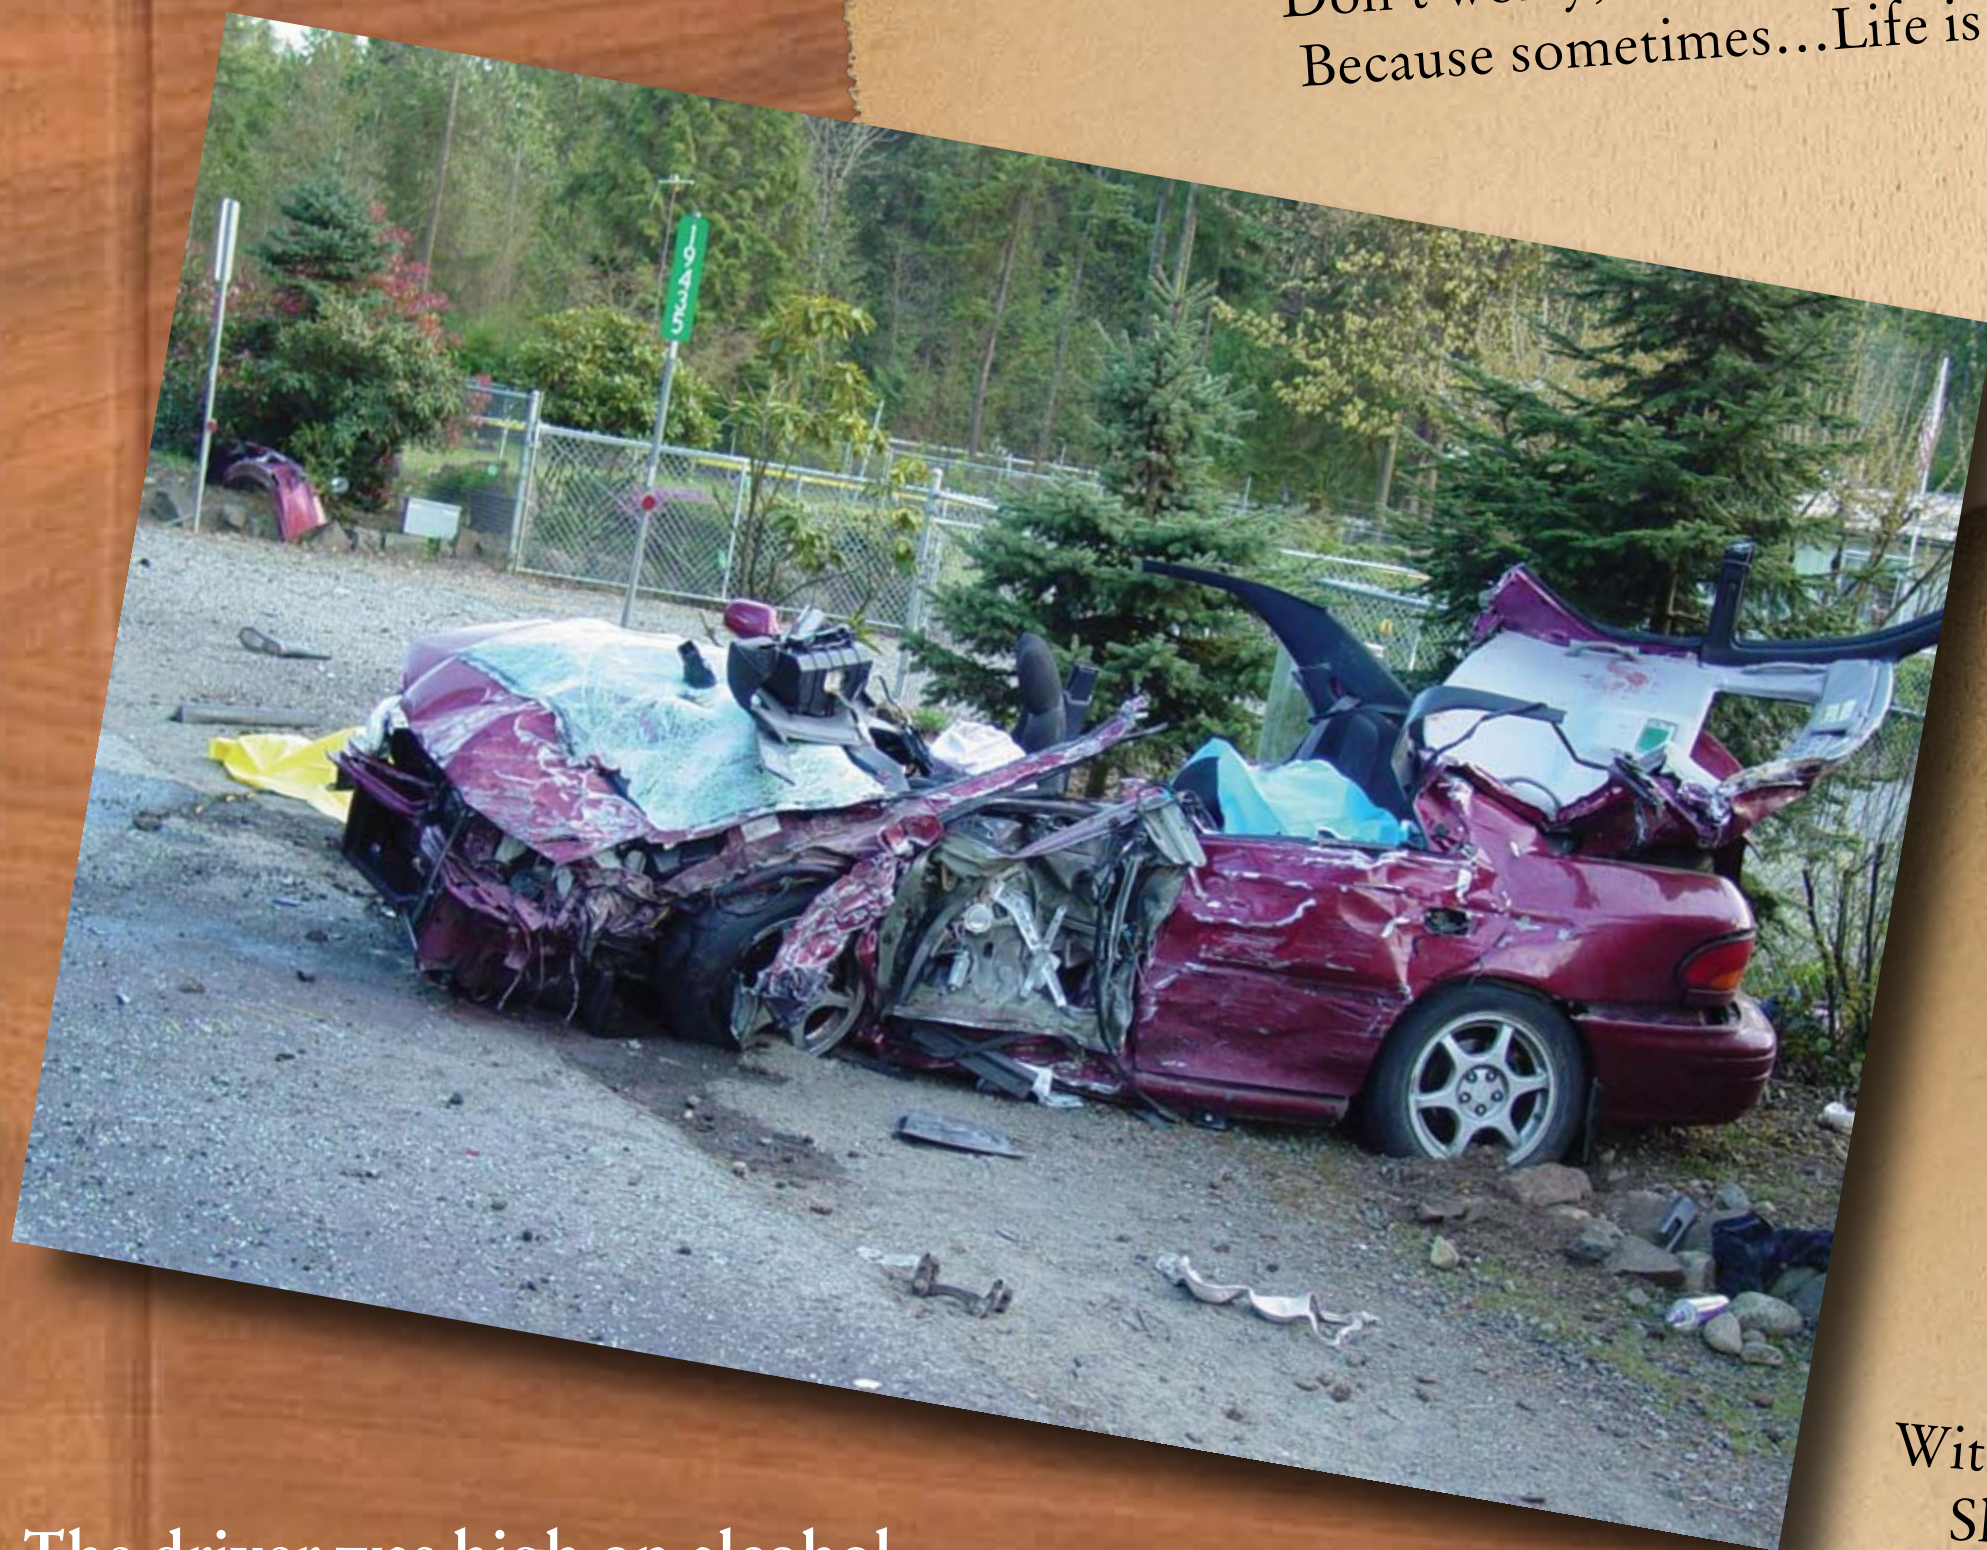

But I'm also scared for you  
When there is sadness you can call on me  
So please don't worry, it will be all right

Don't forget me  
'Cause you know I love you  
Don't worry, for I've been watching you  
Because sometimes...Life is not perfect

Killed by a drunk driver  
April 9th, 2004

She was 19 years old

The driver was high on alcohol,  
methamphetamines, and marijuana  
at the time of the crash.

## A father's prayer...

### "Hold Her Close"

Dear Lord, hold my baby close, for again she lives with you  
Thank you for the time we had, to share a dream come true

Although I still am saddened and I struggle to understand  
Tell her that I miss her and hold her little hand

With her precious eyes still sparkling as she smiles at Heavens gates  
She will brighten even paradise with a difference there to make

I only can imagine just how beautiful she looked  
As she walked upon the streets of gold and the baby steps she took

Dear Lord, hold my baby close, for I wait until the day  
When she and I will meet again, and together we can stay
